

PROJECT AWARENESS AND SPECIAL SPORTS (PAASS)
GYM USE AGREEMENT

Parents and Coaches,

It is critical that everyone understand that we must treat our gym with the utmost care. We have to remember, we are guests of the school/gym.

There are a few critical items that could get our entire program, all teams, kicked out of the gym for the year or longer. **There is one gym that we are no longer allowed to use because one of the following was violated.*

The following are the items that we must insure are agreed to:

- No food in the gym ever. This means, no end of year party, Gatorade, power bars....
- If there is a stage, players, coaches, parents, siblings, etc. are not allowed on the stage at any time.
- If there are musical instruments or other items that belong to the school, we have to stay completely away and never touch them.
- Entering the school from the gym isn't permitted.

I and my player(s) agree to the above.
